

Alliance Solutions:

offer service/repairs on Kadant EMO III shower oscillators and Kadant Gravity Strainers as well as their exclusive non-nuclear wet-end moisture sensor to monitor solids on forming tables before dandies, top-wires.....

Associated Machine Design:

Complete services and engineering on winders, new, used and rebuild winders available, brakes, back-stands, controls etc...

Atlanta Gear Works:

Complete service shop on gears and gearboxes, dryer gears, PIV repairs, Gearbox rebuilds etc...

Badger Roll & Machine

offers durable roll coverings for wire, felt, dryer felt and reel spools. Jadestone, Moonstone, Reeltuff etc. Badger also fills Cotton Rolls as well as building **NEW ROLLS** and Shafts and all metalwork.

Mill

Cellwood Machinery:

Krima Dispersers, Screw Presses, Grubbens Pulpers, Deflakers, Pumps...

Cline: manufacturer of industrial driveshafts, clutches, brakes, universal joints (u joints), cardan shafts, gear couplings, and floating shafts.

Coldwater:

Foil Blades, Poly & Ceramic Forming Boards, Suction Box Covers, Uhle Covers & Strips, Fab-Curl Systems, Suction Roll Seal Strips Deckles & Load Tubes

CVN Systems high-quality showers, uhle pipes, oscillators, foil units and structures, vacuum extraction, and water recycling.

Du-Mor Blade: offers a full line of Doctor, Creping and Coater Blades. Blue Steel, Special Coated, Ceramic, **producing smoother coatings and longer life...**

ECS: (Event Capturing System formerly called Carotek) Camera Systems for finding sheet break causes etc. Improve your uptime by knowing what caused your breaks. All digital systems

Fluoron: offer Teflon Sleeves and release coatings for rolls and Headboxes. **Dryer Can Cleaning** as well.

Fulton Systems:

Steam and condensate systems, components & engineering

Goddard Machine:

Design & Engineering for Headboxes, stock prep, Paper Machines and Process Analysis

PMP Americas:

can supply headboxes, Suction Rolls, Dryers slice Lips, stretchers and guides. Complete Paper Machines or rebuilds. PMP is old the Beloit Poland Facility

Pro-Jet: Scanning type showers for Wire, Press and Dryer Felt and roll cleaning,

Spray Tech Shower Nozzles:

offers replacement shower nozzles for most common designs of showers including Ruby Insert nozzles designs etc.

Transphase: New Generation Steam Showers

for: Wetend, Press and Finishing, 40-60% more efficient. Long-Life Actuators

Vooner FloGard:

high quality conical ported, liquid ring vacuum pumps, replacement parts and service, separators, cooling towers

Walzen Irle: offer calender roll shells and cores of chilled iron.

Paper Machine Components and Services:

Wet-End offerings:

Headboxes, Slice Lips, Foil Blades, Forming Boards, Suction Box Covers, , Fab-Curl Systems Foil Units, Forming Board Units, Cheeking Piece Extensions, Deckle Systems, Headboxes, Headbox Services, Headbox Lexan Sheets, Formers, Doctor Blades, Ceramic: Foils, Forming Boards, Flatbox Covers & Uhle Strips & Covers, Steam Showers

Shower Components: Stationary and Oscillating Showers, including brush showers, shower nozzles, Trim Squirts assemblies and nozzles, Oscillators, Filters and Strainers.

Suction Roll Components & Services: Graphite Seal Strips End Deckles Load Tubes Springs

Press Section offerings: Suction Rolls, Uhle Covers & Strips, Uhle Pipes, Ceramic Uhle Strips & Covers, Steam Showers New Press sections and rebuilds, Guides, Stretches, Services and Engineering, Doctor Blades, Stretches, Guides

Dryer Section offerings: Dryer Cans and Sections, Guides, Stretches, IR Dryers Systems, Edge Dryers, Dryer Section Steam System Components and Services, Doctor Blades, Dryer Felt Cleaning System

Coater Section offerings: Coater Heads, Coater Blades, Coater Rods & Rod Holders/Beds, Coater Service and Engineering Services, Gravure Blades, Edge Dryers

Reel Section offerings: New Reels, Reel Services and Engineering, Primary Arms, Secondary Arms etc...

Winders: New Winders Winder Services Winder Engineering Winder Redesign Winder Controls

Roll Coverings: Composite Rubber Polyurethane for:
Wire Rolls Felt Rolls Dryer Felt Rolls Reel Spools Paper Rolls Durable Release Anti-Static
Coverings etc **New Rolls** and complete metal working services, journals etc.....Drilling Grinding

Teflon Sleeves and Coatings: Sleeves for paper rolls, dryer cans etc....

Dryer Can Cleaning: Cleaning coating and deposits from dryer cans to improve drying, profiles etc...

Stock Prep: Dispersing Systems, Deflakers, Pulpers, HD Cleaners, Screw Presses, Disk Filters

**Vacuum Pumps, Separators and Systems, Gearbox repairs, Dryer Gears
Camera Systems Event Capturing Systems Digital PC Based**
